Rockin' Dolless

Now, it's far, far away my burning love for you.

What an ugly face
Don't look if you hate it so much
We need military intel.
Say, Lelouch you're really adorable
The real you
Not the one behind the mask
You really want to be loved, don't you

Only once,
The air
grab hold o
hat you want
feels
leavy
Don't be stupid
It's fine to try
to be loved.
This desire
burns.

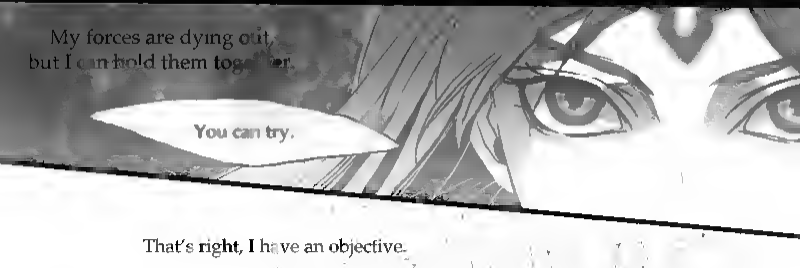
The sweet smell of a flower envelopes me.

mirage

Stupid, what are you doing!
It'll dry out fast!
The days still go by so slowly.
The only reason I can go to school is because of you!
Even giving me a room... I feel a bit awkward.
Lelouch, you're not listening are you
What?

It's the Ashfords that let you in
not me
He was the one who took me in too
He knows about your situation and lets you stay in the Club House
I think that's great
But if he didn't take you in,
you wouldn't be here either.

I've given up on convincing Suzaku to join my troops



That's right, I have an objective.

Lelouch...
へぇ?
Are you STUPID?
Atleast put some clothes on!!
It's not what you think!
Hah?
My shirt was all sweaty, so I thought to wash it...
but, uhm,
I have no spares...
You can't
!?
do laundry?
That's not the problem
It's summe
You're a real idiot if you don't expect to sweat when you move aroun
Even forgetting spares.
What you you left it all until the last minute, thinking someone else would do it?
You think you can deal with it like that?!
Just ask Sayako-san to wash them!
But,
I can just do it by myself!
Don't do it if you don't know how!
I can at least try!

If you're going to be so mean, I'm going to Nunally
I'll kill you.
DON'T BE SO CONCEITED
Uwah- I'm so sorry!
Wear this!
Also, give me your laundry
Eh,
I'll bring it here
LELOUCH EMERGENCY!
Wha-
What is it this time?!
I can't button it all the way .
Are you kidding me, his guy has been dealing with Japanese summers forever-
Those Japanese

I'm sorry for sudden-
Chop this twice,
and cut that one up once.
Peel the skin off the others, too.
...Lelouch...
I'm hungry...
Roger!
Cut the cucumber to bits,
and slice the tomatoes.
Lelouch, tomatoes...!
I don't care if you like them or not, you'll eat.
Lelouchhhh...

I like its sauce, but
I don't like anything else.
Nunally,
It'll be done soon
so let's eat together
Suzaku-san
you
dislike tomatoes?
Yes!
I'm so happy that
I can be together with
Onii-sama and Suzaku-san!
Nunally and Suzaku
are obviously happy here

It's fine, because I won't be able to do this again
There's no point in this
...Don't be afraid.
Sorry, Onii-sama
I love baby tomatoes.
Nunally!

Zero...?
...I
was once
saved by him.
You're interested in him?
...What do you think?
After Lord Clovis's murder
they decided to persecute an Eleven.
Right before my execution
Zero was the one who saved me
But I
hate his methods.

Suzaku,
are you free tomorrow?
I am,
What's up?

Terrorists?!
No,
these are...
Britannian forces!
Anyway,
I have to
get to Lelouch...!
Murd...rers!
!!
Why,
Even if they're
Japanese, there's no
point to this!

Ku...!
It's no good...!
STOP IT...!!
This is meaningless!
The Brittanian forces are...!!
...!

See?
This is what Brittania is
But
I'm different
With my methods
I will change the world
Ze...!

I wonder if Suzaku-san and Onii-sama
are fighting...
Come on-!!
Think about it...!
That's a bit...
It's summer!
If we cant hold any events what's the point of having a
Student Council!!!
Try to consider it or else I'll be bothered!
Student Council~!!

What about Suzaku!
Eh?
Uh...
Only Milly Ashford!?!
But it's a little too hot outside~
A bit...
I think a cool event would be awesome~!
I mean, it's summer!
Shirley likes summer, huh.
Yeah!! The sea or the pool! We need to go get swimsuits!!
Student Council President Milly Ashford is here!!!
We will assemble in the Student Council Room!
That's it
--

With our swimsuits on, we will open the event~!
E-
E-
E-
-Eh!
?!
Isn't this...
too dramatic...

You should know by now...
...!
...Why...
...why are you...
Lelouch...
showing your face to me?
Suzaku,
There are only so many things I can say to you as Zero
But right now
these are my own words

Suzaku
I want you to work together with me.
....That's...
I...I...
...other,
And if they do?
...the other Japanese in the Black Knights
I'm a Brittanian
do they know who you are?
And a prince, at that

This place is nothing like that shining palace.
Are you still...?
I won't say things that don't need to be said
I don't want to play word games.
...Suzaku,

You can try,
If you want to know Zero's true identity,
his reason for battle, and his obligations,
At that time,
please take my hand
...Let's go
It's starting.

He reposnded just as I thought he would

There's nothing to be afraid of.

It's not going to change,
I timed everything perfectly.
I thought I would get results even if I had good or bad luck
but...

Hi~!!
Having funn~?
Ah!!
Lulu-chan!! Isn't that forbidden? Cheater...
P-P-Prez! This is the best event ever!
Whhyy~!! This guy...
Anyway, the girls will go crazy!!
—Nah, I'll forgive you
It'll boost the event's ratings signifigantly
And ocasionally boys will stare and it will be fright-nening
I also think he's cheating, It's not possible to be so muscular

Wow, you look really good~!!
Yes, yes, I can count on you for anything!
Suzaku!
Ah
Yes...
Can you do me a favor?
Still
nothing...
Lelouch?
...Uh

The sun still hasn't gone down-
...Eh?
Doing well?
How is Lelouch doing?
...Yeah
...I guess.
That's great!!
Shirley would be smiling too.
...?

Shirley would definitly be smiling.
That's right . Lelouch killed Shirley's father as Zero ..!
but Lelouch needs to smile too
Zero did...
Lelouch did...
At Narita..!
...Eh?
I thought you noticed.

I wonder if it's taken a toll on me too
That guy,
Ever since Shirley left us, he's been hiding it, but,
truthfully,
Lelouch is too kind
he's fallen
Suzaku
you also saw, didn't you?

He's always watched
what he wan
from a
if he
wants them
they'll disappear.

I know Lelouch

he, towards people...

Ah
this is the second time
I can't show a sad face
no matter what
....For...
Nunally.
This morning,
Nunally looked worried.
I wonder if she thinks
we're fighting.
He's been like this since we were children
Lelouch is only living for Nunally's happiness
All alone
All
alone

Even though he has comrades,
he hasn't told any Japanese.
Even though he's Britannian
Nor has he told Nunally
He wouldn't
And so,
only I
was told
the truth.

Wrong, I knew from the beginning, seven years ago, ever since
we spoke that day
Today, Prez said
that Shirley would
definitely be laughing too
.....That so
That's great,

There's no way you aren't hurt
You're that kind of person.
Doing this,
doing all of this perfectly is impossible.
Losing so much
Holding in your feelings
Even so, you were alone
until today,

Think of Nunally.

Zero
I've completed the objective
It's going according to plan.
Understood.
!!
An ambush?
Our position was leaked...
No, that's....!
Was this her plan...?!
Don't move! The enemies cannot escape now!!!
Cornelia...!!
The operation is over!
I'll finish them off!
Shit...all my trump cards are gone..
Zero!!

Who is this?
...?!
But if I can use my Geass...
He's not responding.
The specs are low
But,

...An ally?
!
SLASH

What are you trying to pull?
Then why!?
I thought you didn't agree with my methods!
...I only want to protect you.
You just came up with that?!
I don't agree with them
The world isn't kind.
...What the hell is that?!

But, that's the truth
Don't expect anything,
Suzaku,
That's not what I want to hear.
...Then what do you want?
Suzaku
There's nothing more precious to me
than you and Nunally.

Since a long time ago, from afar my desire burned for you

You two
made up, right?

We weren't fighting
What should we do next~!!
I'd say I loved the swimsuit event the m-
I'm against swimsuits!
Ooh? did something happen?
I dont wan't everyone to see Lelouch's body

I was just telling the truth
You say some fucking stupid things
You don't look too good.
I wasn't fine before, either.

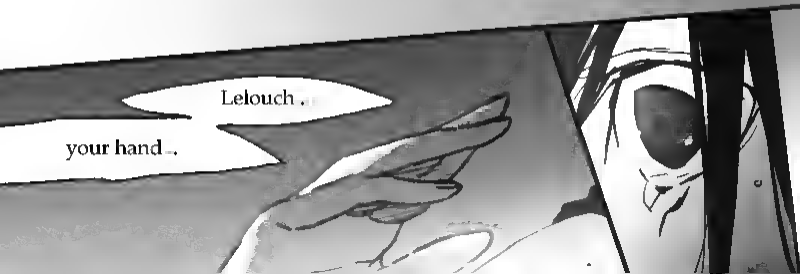
Are you still meetin
the Black Knights?
...I still..can't
it's too soon....
I'm Japanese, but
I want to protect you
more than anything.

I'm not waiting any more.
I-
I know that....
..just a little longer.
I'm on the bottom?
Eh-
Wah!

Hehe
Nn

Isn't that
obvious.
Suzaku is so close
I must be Lelouch's first huh?
...am I right?
Mnn,
Hey,
It'll hurt but,
can I go in?
Clo...
Clo...
ser...
Ha...

"You want to be loved, don't you?"



Lelou...?
Our time is limited
Suzaku..
One time is too much
Please, say it again
just once more
There is nothing

"To me,"
more important to me than
you and Nunally
Ahh, with this,
I can move on

Fighting

Even though

you're still alone

Finally,
a new job?
Yeah.
Isn't it great that you met this person?
A green
haired

Ah now that I think about it wasn't her hair the one I found in your room? She was in the Black Knights, huh.
Is she important to you?
That was irritating.
Fufu
Well then
If you leave this room, you won't come back
I'll be going

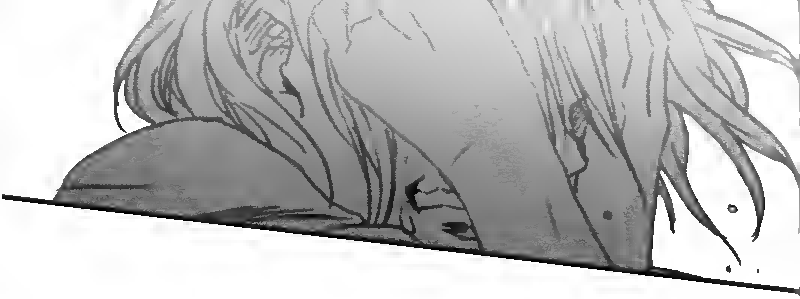
Your memory will return

As Euphemia's knight, you will become my rival

Even so, I'm glad you let me know your feelings
Just a small bit, but with honesty
Suzaku,
I can't,
I can't call him, neither my legs or hands will move
Don't go,
Every thing will return to the way it was
I want you to stay
I had nothing from the start

What do you want to eat?
I still want you.
Eh?
I'll make something when I get home

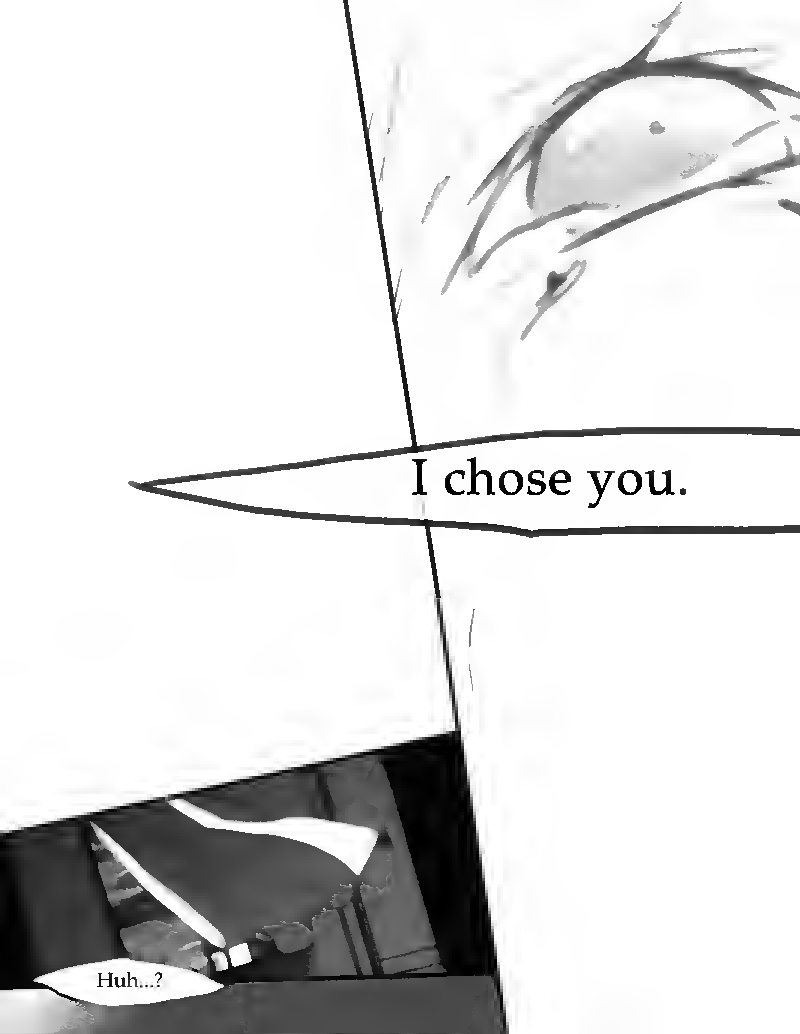
I can't keep our promise
this is my
What's up?
But thanks for offering
last
Hamburgers!
I thought you'd say that!



I was happy

Why are you like this?!
You
Don't trust me at all,
Crying where no one can see you!

Because you
Lelouch
chose
Euphie.
Crying
so much....
I



I chose you.
Huh...?

I thought Suzaku-san and Lelouch-sama were just here...
I wonder where they went...
Ah, jeez.
The sun is setting.

Last summer's mirage

読んで頂きありがとうございました。ヒメミコです。
こういうのもルルーシュは確かに望んでいたんじゃないかなと色々思いを馳せてみました。
そしてオフィシャルではルルーシュの心情や行動と結果の意味を知れないスザク。
たけど彼はその全てを知ったなら、誰より理解してくれる存在になり得るのではないのかと　これは私の希望の形。
そして夏発行夏大好きなので夏々しく捏造しまくりで制誰も本編の流れでは有り得ない時期設定もパラレル全開
スザクの記憶ほえほえもC.Cの力技で一本！そんなC.Cはこの前のアニメで数か２０までしか数えられなくなりました。
後トマトは中の人ですねパラレルなんで突っ込んでみました
スサクはむしろ採れたてのトマティングにかぶりついてやりそうなんですが案外好き嫌いがあっても可愛いと思います
なんか最初の方真面目なのにどんどこ文章に素が出てきたので戻ります君の元へ
この本のラストも何パターンかで悩んでいたのですが　結果として救いがあるようで無い　読み手の方に託す形を取りました。
気が向きましたら感想等　お待ちしています。
ありがとっございました！/ヒメミコ

この本のテーマが蜃気楼なのでカバーがmirage　外すと表紙がリアルになります。
